In re: KTMR (AM), Edna, Texas
Facility Identification Number: 28191
Siga Broadcasting Corporation
Request for Special Field Test Authority

Dear Dr. Arango:

This is in reference to the request filed July 27, 2007, on behalf of Siga Broadcasting Corporation ("SBC"), licensee of Station KTMR (AM), Edna, Texas. SBC requests special field test authority ("SFTA"), pursuant to 47 CFR §73.1515, for operation of a 250 watt test transmitter on 1680 kHz from August 20 through October 20, 2007.

In support of the request, SBC states that no licensed station would be adversely affected by the proposed test operation. Our review indicates that the proposal is not likely to cause interference to other stations.

In light of the above, the request for special field test authority IS HEREBY GRANTED. Call Sign KT5XMR is assigned to the test station. Station KT5XMR may operate with the following facilities:

Frequency:	1680 kHz
Hours of operation:	Non-critical daytime hours only
Transmitter site:	1.66 km NNW of the intersection of County Road 427 and State Highway 123, near Stockdale, Wilson County, Texas
Coordinates:	29° 19' 10" N, 97° 58' 35" W (NAD 1927)
Power:	Not to exceed 0.25 kilowatt
Antenna type:	Temporary tower; Nondirectional
Radiator height:	73.8° (36.6 m)
Overall height:	36.6 meters
Antenna efficiency:	294.9 mV/m/km/kW ¹

¹ Millivolts per meter at one kilometer for one kilowatt input power.

Transmissions shall consist of unmodulated carrier plus hourly station identification announcements. It will be necessary to reduce power or cease operation if complaints of interference are received. It will be necessary to reduce power or cease operation to protect persons having access to the site from radio frequency radiation in excess of FCC guidelines. The temporary tower shall be removed following completion of the test measurements. A report detailing the methodology employed and the results obtained must be submitted within sixty days following the conclusion of the experimental operation pursuant to 47 C.F.R. § 73.1515(c)(7).

This special field test authority expires **October 21, 2007**.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles N. Miller". The signature is fluid and cursive, with a long horizontal stroke at the end.
